

Member Agreement for Advanced Meter Monthly Limited Choice Billing

Advanced meter **Monthly Limited Choice** limits the energy usage (kilowatt hour--kWh) data received by WEC's billing system to a single kWh reading. No other data will be collected without the express written consent of the member of record. Any member choosing the **Monthly Limited Choice** option will still be able to manually read their kWh usage and access e-billing and/or ACH payment options.

The **Monthly Limited Choice** option may limit the availability of billing options and services which includes but is not limited to:

- time of use rate choices (from WEC),
- member usage analysis and technical assistance,
- electric energy services from Efficiency Vermont (EVT),
- use of a Home Area Network (HAN) to monitor and control individual appliances, and
- net metering/member self-generation.

The member(s) of record may, at any time, rescind their selection of **Monthly Limited Choice** billing, without charge, upon written notice to the Co-op.

I/We, Washington Electric Co-op member(s) of record, hereby acknowledge I/we have read the above statements and understand my/our option of selecting advanced meter **Monthly Limited Choice** billing. It is further understood that this decision may be rescinded at any time upon my/our written notification to the Co-op.

It is my/our decision to choose the **Monthly Limited Choice** billing service for the following account(s):

<u>Account #</u>	<u>Map #</u>	<u>911 Address</u>	Owner	Tenant
