NOTICE OF PLANNED POWER OUTAGES

Dear Washington Electric Co-op Members:

A thank you goes out to the members on Cemetery Street in Brookfield. As you may have noticed we are replacing poles, installing new anchors and larger, stronger conductor. The current project may require several more outages and we expect to complete the work on or about February 17, 2017. We thank you for your patience and understanding while we complete the reconstruction of the lines in your area. Please refer to the website for information concerning current and planned outages on WEC's system.

Please do not hesitate to contact me if you have any questions or concerns.
