

~~~~~**YOU ARE INVITED**~~~~~

**COVENTRY LANDFILL OPEN HOUSE AND TOUR OF WEC'S COVENTRY  
LANDFILL METHANE GENERATION PLANT**  
**SATURDAY, SEPTEMBER 15, 2018**

Coventry Landfill Open House and Tours of Washington Electric Co-op's Coventry methane plant are planned for Saturday, September 15, 2018, from 10 a.m. until 2 p.m. in Coventry, Vermont. WEC staff will be available at our Coventry landfill methane generation facility to provide brief tours of the plant and to answer questions. NEWSVT/Casella will also have staff available to give tours and respond to your questions.

Landfill

Reservations are not required for individual tours, however, groups interested in touring are asked to contact Dawn Johnson at: 802-224-2332 or email [Dawn Johnson](mailto:dawn.johnson@wecvt.com) to reserve a specific time for their visit. Directions on WEC website.
