WASHINGTON ELECTRIC COOPERATIVE, INC.

JOB POSTING

UNION VACANCY

Member Service Field Technician – Part Time

General Summary of Job Responsibilities:

The Member Service Field Technician will be responsible for field metering operations, primarily the disconnects and reconnects of meters. The Member Service Field Tech will be provided day to day direction from the Member Service Supervisor and Director of Engineering & Operations. This position will also perform field inspections of utility plant and third-party attachments. The candidate should possess the ability to work independently and as part of a team. Excellent oral and interpersonal relations skills are required in order to work effectively with the public, co-workers, and members.

Essential characteristics of the ideal candidate include courtesy in dealing with members and with co-workers and others; exhibiting a professional attitude and interest in assigned work; a proficiency at initiating and/or completing daily job-related paperwork; and a safety oriented attitude. The qualified candidate must possess a High School Diploma or equivalent.

Submit letter of interest to Cheryl Willette, Director of Finance, PO Box 8, East Montpelier, VT 05651, or cheryl.willette@wec.coop
