

# WASHINGTON ELECTRIC COOPERATIVE, INC.

## Mechanic Class A or B

### UNION POSITION OPENING

WEC was founded in 1939 to bring electricity to rural Vermont communities and to provide our members with a voice in their energy future. WEC continues today with that same spirit as our pioneering founders with a commitment to our environment, communities and our member-owners. We are a not-for-profit cooperative utility serving our member/owners in 41 towns in central Vermont's rural landscape.

WEC is seeking an individual to fill a union opening in the Operations Department. This position is an integral part of our operations team as it is responsible for maintaining and managing the fleet and equipment our line and engineering departments utilize daily in maintaining and improving over 1,300 miles of distribution/transmission lines to assure reliable service for nearly 11,500 Cooperative members.

#### **General Summary of Job Responsibilities:**

Under the general direction of the Director of Operations & Engineering, the mechanic will be responsible for servicing and maintaining all Cooperative vehicles and equipment.

Qualified applicants must at a minimum be proficient with diesel and gas engines, hydraulics, tire changes, electrical wiring, welding, fabrication, off road equipment and all mechanical work.

Courtesy in dealing with members, co-workers and others, adaptability and willingness to acquire new skills, professional attitude and interest in work, and attention to general work rules and safety procedures are essential characteristics of the ideal candidate.

All applicants must possess or have the ability to acquire a Vermont commercial class A driver's license within one year from date of hire.

Submit letter of interest to WEC's Human Resources Dept., c/o Teia Greenslit, Director of Finance & Administration, PO Box 8, East Montpelier, VT 05651 or [teia.greenslit@wec.coop](mailto:teia.greenslit@wec.coop)

WEC is an equal opportunity provider and employer.
